

# A Few Truths

~ Author Unknown

No one can ruin your  
day without Your  
permission.

Most people will be  
about as happy as  
they decide to be.

Others can stop you temporarily.  
But, only you can do it  
permanently.

Success stops when you do.

When your ship comes in,  
make sure you are willing to unload  
it.

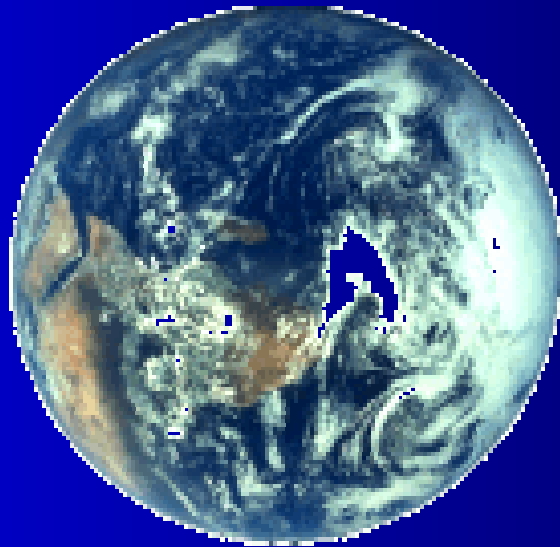

You will never 'have it  
all together'.

Life is a journey, not a destination. Enjoy the trip!

The biggest lie on the planet:  
"When I get what I want, I will  
be happy."

The best way to escape your  
problem is to solve it.

I have learned that, ultimately,  
'takers' lose and 'givers' win.

Life's precious moments don't have value, unless they are shared.

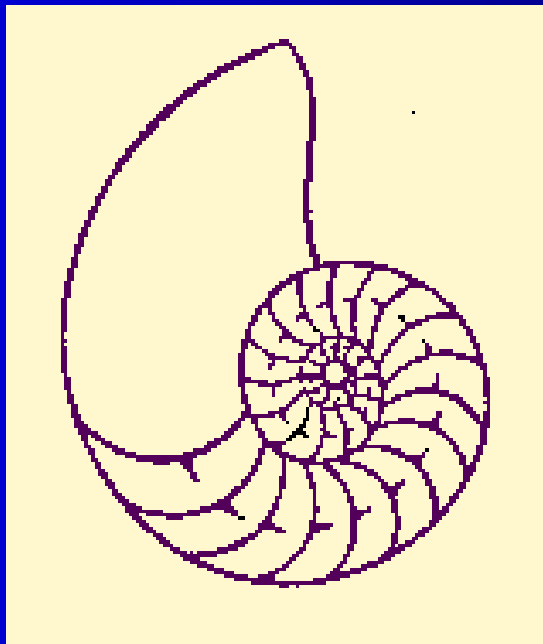

If you don't start, it is certain  
you won't arrive.

We often fear the thing we want  
the most.

Everyone hears what you say.  
Friends listen to what you have to  
say. Best friends listen to what you  
don't say.

Look for opportunities, not  
guarantees.

Success is getting up, one more  
time.

Now is the most interesting  
time of all.

When things go  
wrong, don't go  
with them.

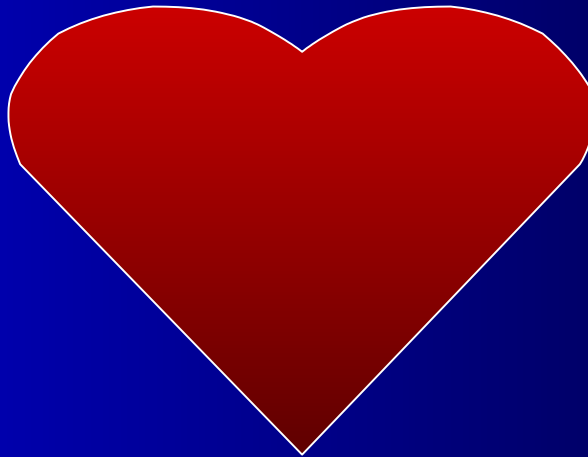

Anyone who asks a question might  
be a fool for 5 minutes. But, a  
person who doesn't ask, is a fool  
forever.

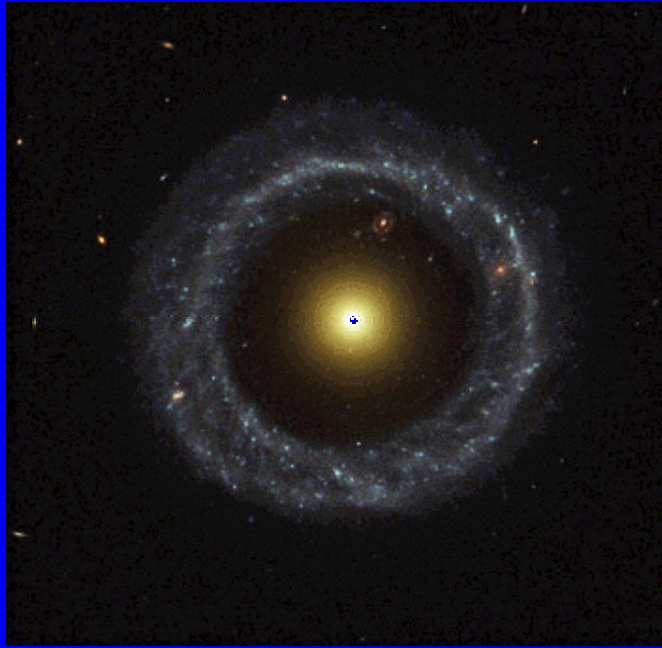

A best friend is  
like a four leaf  
clover; hard to  
find and lucky to  
have.

A friend is someone who  
reaches for your hand, but  
touches your heart.

A coincidence is when Source performs a miracle and decides to remain anonymous.

I don't have to  
attend every  
argument I'm  
invited to.

?

Our eyes are placed  
in front because it  
is more important  
to look ahead,  
rather than to look  
back.

# The End

I hope that you have enjoyed this  
little presentation as much as I  
did making it.
